- **DESCRIPTION.**

Set of metallic multisport posts (Volley, Badminton, Tennis, Paddle) designed according to the **NIDE 2002 regulation.**

Made with extruded aluminium matrix with 90-millimeter diameter. They have an exterior adjustable mechanism formed by winch and net pulleys that are fixed and moved through the matrix slot allowing to position it at the required height according to the sport and the players category.

The tensioning of the net is realized by the winch.

The required placement of the regulatory is achieved burying the post 40 centimeters in the ground.

Ref.	Finish	Dimensions (m)	Weight (Kg.)
