

- DESCRIPTION.**

Set of padel posts made of 80x3 quality S-235-JR pickled steel. They have some plates mechanized by laser to achieve the correct placement of the net guide pulleys.

The net tensioning is done by a winch.

The posts are fixed to the ground through an anchor plate for staying perfectly leveled in the game position.

The net height will be of 920 millimeters.

Ref.	Finish	Dimensions (m)	Weight (Kg.)
